International Sweepstakes Classes

This is a major ISC qualifying event for the May 2017 World Team Tryouts. Clear run scores from the following from the official WTT heights may be used to fulfill the minimum requirements to enter the World Team. In addition, ISC Combined Class winners at these events will receive an invitation to the World Team Tryouts.

A clear run consists of a run without time or course faults. Minimum YPS requirements are waived for these scores, as long as the dog is under the course time set by the judge for that class. Two ISC Jumpers and two ISC Standard scores may be used to fulfill the minimum requirements.

Check the AKC agility website information regarding World Team Tryouts for official information.

CRATING INFORMATION

The trial committees will be working very hard to make the most space available to the agility competitors. However, due to the available crating space, they will be enforcing the following agility area crating area rules. Please work with your fellow competitors to compact space as much as possible. If we all work together, we'll have enough space for everybody's dogs.

- No Mats will be allowed in the agility crating areas.
- No un-stackable soft crates
- No X-Pens or play huts.
- **No chairs allowed in the crating area.**
- No un-entered dogs allowed in the agility area.

If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.
